There's plenty to look forward to when buying your first home, from searching online to touring various homes and neighborhoods. But after the initial thrill of deciding to take the plunge, what comes next? How long will it be before you're hanging art on the walls and becoming one of the neighbors? Here are a few things we will consider in our workshop titled *Navigating Home Ownership*:

- Learn the process of becoming a homeowner.
- What to expect as a down payment.
- What are closing cost?
- Why is a real estate agent important?
- What are the other costs I need to consider?
- Am I ready to be a homeowner?
