

1st ANNUAL WMoV GOLF CLASSIC

June 28, 2021

The Wiregrass Men of Valor invite you to participate in a golf tournament to benefit their men's ministry. All proceeds from this tournament will be utilized to support this not-for profit ministry and will help cover expenses to continue hosting our monthly Armor Up events at the New Brockton Farm Center. These events (second Tuesday of every month at 6:30 pm) feature a free steak dinner to all attendees as well a story told by men whose walk with Christ has changed their lives and the lives of others.

This worthwhile event will feature an 18-hole, four-person modified scramble at the Enterprise Country Club. Your day will include 18 holes on a beautiful golf course, unlimited non-alcoholic beverages, and the opportunity to compete in contests (including a \$25,000 hole-in-one contest). Door prizes will be available after the tournament during dinner.
