

# Day of Service

**March 19, 2022**

The Oscar Club is encouraging all individuals, Civic Clubs, Churches, Youth Groups, and Businesses to embrace a service project that will enhance Enterprise.

Show your Enterpride by joining businesses, churches, or other groups and be a part of a large project or participate individually in a small project.

**So many needs in our community!**

**We ask that these projects take place collectively on  
March 19, 2022.**

**There will be a short kick-off at 8:00 a.m. at Bates Memorial Stadium.**
