LANDLORDS: Are some of your tenants behind on their rent?

RENTERS: Can't pay rent or utility bills?

Emergency Rental Assistance Alabama is here to help. COVID-19 has affected residents across the state. We have emergency funds available to help Alabama renters pay rent and utility bills (including past due rent and utilities). The Emergency Rental Assistance bill was passed as part of the Consolidated Appropriations Act, 2021 which provides \$25 billion nationally for pandemic-response rental assistance. The Program is administered through the U.S. Department of the Treasury.

ERA Alabama provides assistance to all counties and jurisdictions with the exception of: Baldwin County, Jefferson County, Madison County, Montgomery County, Tuscaloosa County, City of Birmingham, and the City of Huntsville. Visit our FAQs page for information on how to access emergency rental assistance programs in those areas.
