

Installation Mechanic

Southeast Gas has an immediate opening for an Installation Mechanic at its Enterprise Office. Job provides competitive pay and an excellent benefits package: employer paid vacation and sick leave, employer paid employee health insurance (100%), employer paid family health insurance (77%), employer paid long-term and short-term disability plan, employer paid life insurance (2 x salary), employer paid retirement (5% base pay), and 457 deferred compensation plan with employer match (5%).

This job consists of installing gas piping, conducting change-outs from electric to gas, reviewing blue prints, and performing repair work on heating and cooling equipment. This job requires basic knowledge of the properties of electricity, the ability to perform limited walking, and extensive crawling, bending and stooping. To qualify for this position, you must have a High School Diploma or GED, and possession of a valid Alabama Driver's License. Minimum of one years' experience in a related field required. Experience within the natural gas industry is beneficial.

Interested applicants may apply in person at the Southeast Gas Office, 102 Lester Drive, Enterprise, AL 36331 or may submit a resume to Southeast Gas, Attention: Corporate Services Department; P.O. Box 1338, Andalusia, AL 36420. The deadline to apply for this job position is Thursday, May 20, 2021.

Southeast Gas is an Equal Opportunity/Affirmative Action/Veterans/Disability Employer
