

Whoville Christmas

Friends of Main Street

We are reaching out to you, since you sponsored a custom Who character for your business in 2021. If you would like to display your character again this year, there is a \$50 renewal fee. This fee covers printing a new name badge with your company logo in the center of a scannable QR code that will point to the URL of your choosing (company website, social media page, online menu, etc.). Your character will also be spot cleaned and installed in time for the Holiday Open House downtown in November.

We have put photos of all characters in a Google spreadsheet online. Jennie is happy to provide the link on request (see contact details below).

Re-sponsorship fee:

★ \$50

Renewal Checks need to be either mailed or dropped off with Lori at River Bank with a copy of the attached form.

If you would like any changes made to your custom character(s), those will be done by Jessica Goodson of All About Art. Please note that, due to the time involved in repainting characters, we cannot handle elaborate total “makeovers” for the characters. However, you may specify hair/eye color, shirt/dress or accessory color to match your business color scheme. We will do our best to give your Who a unique look that reflects your business. Repainting requests need to go directly to Jennie Chancey, who will convey them all to Jessica. Please do not contact Jessica directly, as she cannot handle a bunch of individual requests and needs Jennie to organize them in a timely manner.

All renewals are due August 15, 2022

Checks made payable to Friends of Main Street.

Forms and payment can be mailed to:

Friends of Main Street Attn: Whoville | P.O. Box 310269 | Enterprise, AL 36331.

Thank you for helping the Grinch's heart grow 3 sizes with your sponsorship!
