

# We've been busy this summer

Join us

## World Games, Birmingham

Our team helped work the Alabama Experience tent, or ALEX, at the recent 2022 World Games in Birmingham and shared what it's like to live and work in southeast Alabama.

## ACCS Workforce Grants

- Community College workforce development annual grant process completed June 23, 2022
- \$1.4M Received in requests

# Really REALLY BUSY

**8,256**  
*miles*

Our team has travelled over 8,000 miles this summer, since May of 2022.

We have also grown our family to welcome a **new member** of the Southeast AlabamaWorks team.

*Welcome*

**MELANIE HILL**  
**WORKFORCE PROGRAMS**  
**COORDINATOR**

After 4 years of serving in a contract role, we are thrilled to have Melanie lending her expertise to us full time as of July 1st.

# WIREGRASS JROTC STEM

## Leadership Academy

## SOUTHEAST ALABAMA WORKS! Resource Roundup

Public Affairs  
Research Council  
of Alabama

To read more about PARCA's mission, structure, finances, and leadership, and to explore some of last year's research, take a look at **PARCA's 2021 Annual Report**.

EDITION 2022

## HOW ALABAMA CITIES COMPARE

An examination of revenue and expenditure data for municipalities to provide insight and drive informed choices.

**How Cities Compare**, the tenth edition of PARCA's study of Alabama city finances introduces a new methodology, highlights the challenges of comparing municipal finances, and proposes a better way to collect the information.

The Alabama Power Foundation believes in the **Power of Good**. Take a look at the good work they do around the state in their Annual Report.

June 2022  
CREC CENTER FOR REGIONAL ECONOMIC COMPETITIVENESS

Check out this report on attainment progress of the **Success Plus** goal of adding 500K highly skilled people to Alabama's workforce by 2025.
