DOCKINS BROADCAST GROUP OF ALABAMA

WOAB-FM 104.9 FM WOZK-AM 900 98.3 FM

Dockins Broadcast Group, LLC has acquired **WOAB-FM, WOZK-AM and 98.3 FM** from Ozark broadcasting of Ozark, Alabama. We proudly serve Ozark, Enterprise, Troy and Dothan. Fred Dockins, owner of Dockins Broadcast Group has 27 radio and television stations in Missouri, Florida, and now in Alabama. Fred began his career at the age of 13 working at his local radio station in Malden, Missouri and learned all aspects of radio and television broadcasting from great pioneer broadcasters in Southeast Missouri and continues into his 50th year of broadcasting. Dockins Broadcast Group is family owned and operated and strongly believes in Christian values along with providing strong ties to the local area and its communities, churches, civic organizations, our military, veterans, and law enforcement. Keeping a radio station local to the area is paramount according to Dockins....

Dockins Broadcast Group has done extensive equipment upgrades to the stations and plans to be a prominent voice for the local area and communities. **WOAB-FM** is now Kickin Country 105 featuring the best of today's country artists along with classic country hits you grew up with. **WOZK AM 900 AND 98.3 FM** will be known as **K-Hits 98.3**...a blend of your favorites from the 80's....90's and early 2000's.....All stations will have professional air talent daily and specialized programming on weekends. **WOAB-FM** plans to carry local high school sports as well. Dockins says we must keep local communities together. Local radio stations is the most important aspects of cementing the needs of the community. Part of our commitment is providing a local forum for people to speak out in conversation on issues that effect the residents of the communities the stations serve. Fred Dockins says he is very proud and humbled by the response so far and would like for anyone to contact him at 334-445-1049. Dawn Arnold is local sales manager and would be happy to speak to businesses that wish to advertise on our stations at 334-445-1049 . A grand opening and open house is being planned after the remodeling process is completed
