

DuPage County is now offering community-based COVID-19 testing at the DuPage County Complex. The entrance is located on County Farm Road a few blocks North of Roosevelt Road at a stoplight. Follow the signs through the campus to the test site.

Testing is free but limited tests are available per day. This is a drive-thru testing site where individuals will give themselves a nasal swab test with instructions from staff.

Hours of Operation

7:00 a.m. - 3:00 p.m. Tuesday - Saturday

(All cars must arrive by 2pm to be tested and site may close earlier if daily test capacity is met)

Who Should Get Tested

Anyone may get tested, regardless of symptoms or other criteria.

Definition of Symptoms

Symptoms may appear 2-14 days after exposure to the virus. People with these symptoms may have COVID-19:

- Fever or chills
- Cough
- Shortness of breath
difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste
or smell
- Sore throat
- Congestion
or runny nose
- Nausea or vomiting
- Diarrhea

What to Expect During Your Visit

Due to the demand for this service, we anticipate there could be significant wait times associated with these drive-thru community-based testing sites. Please be patient. If you are experiencing a medical emergency, you are urged to call your doctor or emergency department to seek immediate care and instructions.

Only people who arrive in a cars will be allowed to be tested. People will need to remain seated in their car at a working window (window must go up and down). Once in line at the CBTS, you will not be permitted to exit your car. Bathrooms are not available on-site. For the safety of the testing personnel, the drive-thru sites will not be accept walk-up individuals.

We cannot accommodate vehicles:

- With windows that do not function
- That are not self-contained (e.g. convertible with top that will not close)
- With trailers
- With a dog
- With occupants that cannot sit at a window that rolls down
- Buses

To support privacy of those at the site, photography and video are not permitted.

Waiting for Your Results

You will receive a phone call with your results within 3 to 4 days of your test. If you have not received your results after 4 days, please contact the DuPage County Health Department at (630) 221-7030 or visit dupagehealth.org/COVID19Testing.

As you wait for your results, if you are ill, stay in touch with your doctor. Keep in mind your symptoms may be due to another condition that requires prompt evaluation and treatment. Stay at home except for medical appointments. Call ahead before visiting your doctor. As much as possible, stay in a specific room and away from other people and pets. If you must be around other people or animals, wear a face cloth over your nose and mouth. For more information on how to keep you and others safe, view [Stop the Spread of Germs](#). For Spanish, [click here](#).

Other Community Based Testing Locations

For information on other CBTS locations throughout the state of Illinois, please refer to the [State of Illinois Community-Based Testing Sites](#) page. For general guidance on testing, please refer to the [State of Illinois COVID-19 Testing Guidance \(PDF\)](#).
