

Virginia Tech Teaching Fellows Application Information and Adjunct Job Listings

Northern Virginia Community College (NVCC) has created “Invitation Only” links for VT Teaching Fellows to apply for open opportunities as Adjuncts. These links are not available to applicants via search results, but are accessed directly through the links below.

Here are a few guidelines for a successful application:

- **Please read the job description and complete the application in its entirety!**
- Pay close attention to the Required Qualifications – some positions require related occupational experience in the discipline area. Note: Items under Additional Considerations are not required, but will be considered during the application process.
- Complete each area of your Work History (“see resume” does not work).
- Make sure your References are current and you have a phone number and email address for each person.
- When choosing campuses CHOOSE ALL to ensure you are considered for any campus where the discipline is needed.
- You will be asked to specify when you are available to teach: days and daytime hours, days and evening hours, Saturdays.
(Open Ended Question) **Please indicate if you are “ZOOM only” or “ZOOM or in-person” as part of your answer, depending on your location.**
- Any unofficial transcripts (including WES equivalents) should be included as part of your application.

Any questions about the application or process at NVCC can be directed to Dr. Cathleen Cogdill at ccogdill@nvcc.edu.
