## KALINA'S CABINET

Toiletry Drive

**MAY 13, 2019**

**HISTORY:** In 2017, after learning of local students in Philadelphia unable to afford basic toiletries, 13 year old Greenfield student Kalina Kozlowski was inspired to help by organizing a toiletry drive at her school. This campaign was a huge success--filling our conference room with donated toiletries and raising thousands of dollars online. Cradles to Crayons was happy to distribute the items and money raised by Kalina's Cabinet last year to Philadelphia's kids in need. In fact, the drive was so successful and opened eyes to a surprising need--tampons and diapers--that Cradles to Crayons is now piloting similar drives in Chicago and Boston.

### How you can help:

**Please donate the following items on May 13th:**

- Female Sanitary Products (all different sizes)
- Diapers (We have learned diapers are in great demand as they're not covered by national programs supposed to help children!)
- Shampoo & Conditioner
- Toothpaste
- Soap/Body Wash
- Toilet Paper
