

# GREENFIELD MIDDLE SCHOOL ART CLUB

# FALL 2019

Middle School Art Club (6th, 7th, and 8th Grade) will take place on **Thursdays** during the first half of the year from 3:00-4:00pm on the dates indicated below. In order to provide all students with a chance to be involved, students will be limited to one workshop. Please circle your top choice and indicate a second choice with a star.

**Permission slips need to be turned into Ms. Mowery by September 13th. (Please write Art Club Dates on your calendar!) Workshops will be filled in the order that signed slips are received. The list of students in each workshop will hang in the hallway outside the art room and provided to each homeroom teacher. Guardians will be notified by e-mail.**

# WORKSHOPS

# Charcoal Self-Portraits **9/19, 9/26, 10/3**

In this workshop, you will learn how to strengthen your observational drawing skills to create a realistic self-portrait. We will focus on understanding facial proportions and creating form through shading. Perfect for students who are thinking of applying to an arts high school. Maximum 10 students.

# DIY Custom FunkoPop Figurines

# 10/10, 10/17, 10/24

In this 3-session workshop, you will design your own FunkoPop figurine. Inspired by the collectible taking the world by storm, we will hand-build our figurines from air-dry clay, sculpt and add custom details in paint! Maximum 10 students.

# Embroidery for Beginners **10/31, 11/7, 11/14**

In this 3-session textile workshop, you will learn how to transform a drawing on paper to fabric! Ms. M will teach you a variety of basic stitches which we will practice and then use to create an original embroidered fabric patch that can be used to enhance your favorite fashions! Maximum 10 students
