

This is School St Rose en Haiti

We feel happy for making us feel worthy in Haiti. We are also happy for the letters we received from you. We read them with great pleasure. We will continue to pray god to bless you in all aspect of your life.

We are happy to know that you like our uniform.

We love Sister Fidelis for all her good work, sister Vicky with Sister Jo.

We would love to meet you one day so that we can get to know each other better
