

Raising Digital Kids!

What Parents Need to

Know to Survive

Have you ever said -

- Should my child be on Social Media?
- What do I need to know when I give my child a phone/device?
- What apps are out there that I should know?

Unlike our parents we have tools and resources available to us, but how many of those are valuable and how many of them are scare tactics? In this entertaining session we'll find answers that Siri can't!

You won't want to miss this free presentation

Wednesday, September 12, 2018

Beginning at 6:30pm in Church

This is an adult only presentation

Childcare available

RSVP to tina.abel@toledostpats.org

Paul Sanfrancesco is a National Technology Speaker. For over 24 years, he has worked in Catholic, private, and public education, including as a teacher, Assistant Principal and Director of Technology for school districts in the Philadelphia region and collegiate teaching at Saint Joseph's University and Neumann University. The National School Boards Association named him one of the "20 to Watch" Educators for his work in Instructional Technology. Mr. Sanfrancesco has been featured in Tech & Learning, Schools CIO, EdTech Mag, and Catechetical Leader and presents at local, regional, and national convocations. He holds a bachelor's degree in education from Millersville University and a master's degree in instructional technology from Temple University.
