

Dear Parents,

We are asking parents if they would be able to help your child's classroom and the Knights of Columbus. The Knights of Columbus does many wonderful things for our school! We are helping the K of C sell raffle tickets. Each ticket costs \$5 OR 5 tickets for \$20!!! You can purchase as many tickets as you like. For every ticket sold, your child's teacher will get \$2 to use to purchase items for their classroom!!

We are not asking the students to sell these, only the parents. Please return the form below to your child's homeroom teacher. They will then send the tickets home for you to fill out. Just return the ticket stubs back to your child's teacher. The prize money is listed on each ticket!

If you have any questions, please let us know! We appreciate your help and support!

Sincerely,

Saint Rose Teachers and The Knights of Columbus
