We will begin at 12:00pm and the students will go back with their buddies to the classrooms once they are finished assembling the bags until the lunch and recess period is over at 1:07pm.

The students in the older grades (4 through 8th) please bring in a beach towel to school to sit on with your buddy to eat lunch and assemble the care package.

The older classes will also need to bring supplies to help decorate the bags.
