Contest Runs Through April 1-April 30

We want to spotlight our library district of Hampshire, Pingree Grove, and Burlington by having library patrons take pictures that showcase the community. Pictures can be of nature, town buildings or events. The rules are simple:

1. Like our Instagram page @ <https://www.instagram.com/ellajohnsonlibrary/>
2. From April 1st-30th post pictures on your account of our community with the hashtag [#ejmlphotocontest](https://www.instagram.com/ellajohnsonlibrary/). Make sure your account is open so pictures can be seen.
3. Also hashtag the town the picture is from.
4. Check the hashtag frequently and vote by liking the photos of our community!

The final winner will be chosen by the two marketing class groups at Hampshire High School who are helping run the contest
