

SEPTEMBER 2021 PRAYER REQUESTS

SIERRA LEONE: AFTER THE HARVEST

Pray for **Musa Kpaka** who has evangelized 195 villages this year and is now making plans to go back and disciple 800 new believers and plant about 20 churches where he enjoyed a great harvest. Musa is an effective trainer who has raised up dozens of Master Trainers and hundreds of story-telling evangelists. Efforts will begin after the rainy season, which is two months away.

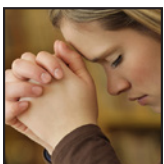

A GATEWAY TO PERU

After a lengthy phone call to **Michael** and **Xiaoyan Unterschuetz**, Master Trainers with Meridian, it appears the Lord is opening doors for us to train leaders in the Amazon rainforests of Peru. Michael was a missionary kid whose father spent many years reaching out to the Indians living along the tributaries of the Amazon River. They were introduced to storying and were excited about taking the Gospel to oral learners there. If the Lord leads, Michael and Xiaoyan are willing and ready to move and invest their lives in these beautiful people. Pray that the Lord will give us definite direction whether or not to go and the proper timing if He says “GO!” Also pray that God will give us the right people with whom to work with and that they will become multiplication leaders in Peru.

DEVELOPING A MISSIONAL CHURCH PLAN

Due to the pandemic, the last two years have put churches on hold and forced them to look for innovative ways to engage in missions. This has caused us to ask: “How can we get churches involved again?” Working with the church I attend, we are giving much prayer and creative thought to developing a way to send out people properly trained in the basics (evangelism, discipleship, church planting) and find ways to walk beside both missionaries and indigenous leaders as facilitators and catalysts. Pray that this will develop quickly and be totally inspired by the Holy Spirit.

URGENT PRAYER REQUEST

There are some concerns that can't be shared publicly due to confidentiality. Please join us in prayer over an urgent matter. We are needing discernment and wisdom. This is not a personal matter, but a ministry challenge that will require grace and compassion.

DISAPPEARANCE OF TITUS DAVIS

There are still no leads or any kind of information that indicate where **Titus** is. No one knows the motive behind his disappearance. No one has seen him since 10:00 am on June 24. Pray for his safety. Pray if anyone has abducted him, that they will release him. Pray for his wife, **Dorcias**, and his family.
