

# 4K Family Learning Activities January

Day 1	Day 2	Day 3	Day 4	Day 5	Day 6	Day 7
Happy New Year! Make a list of what you want to learn about this year.	Play letter spy. Find something that starts with each letter in your child's name.	Write a Thank You letter to someone who did something nice for you.	Look for things that start with the letter G.	Go for a walk together. Make a list of the different things you can smell.	Make up silly sentences with words that all start with the same letter.	Count your fingers. Count your toes.
Day 8	Day 9	Day 10	Day 11	Day 12	Day 13	Day 14
Describe a familiar object. Using clues ask your child to identify what it is.	Make a puzzle out of an old image. Cut the image in pieces. Take turns building the puzzle.	Read "Five little Monkeys Sitting on a Tree". (see attached)	Have an indoor picnic. Eat lunch on a blanket with stuffed animals.	Go for a walk together. Make a list of the different things you can hear.	Play "How many are hiding?" (see attached)	The sky is blue. How many blue things can you find?
Day 15	Day 16	Day 17	Day 18	Day 19	Day 20	Day 21
Find something in the room that starts with the same sound as your name.	Make a pattern with colored shapes, blocks or objects.	Make a sound or movement pattern, (i.e., clap, snap, clap, snap)	Go on a pattern hunt. How many different patterns can you find?	Make tracks in the snow. What other tracks do you see?	Think of words to describe the winter season.	Think of and then name items that start with every letter in the alphabet.
Day 22	Day 23	Day 24	Day 25	Day 26	Day 27	Day 28
How many buttons are you wearing today? How many pockets?	Make up words that rhyme with something in the room(clock, sock)	Ask your child to sing their favorite song. Sing along.	Go on shape hunt. Which shapes can your child find?	The snow is white. How many white things can you find?	Play a game with your fingers. How many fingers am I holding up?	Talk to your child of things they liked to do when they were a baby.
Day 29	Day 30	Day 31				
Ask your child what makes them happy, sad, or angry?	Make faces with your child for happy, sad, mad, silly, surprised and scared.	Try to walk in different ways (big steps, little steps, tip toe, backwards)
