

You are cordially invited to attend ***Opioid Analgesics: Risk Evaluation and Mitigation Strategy (REMS)***, a symposium approved for CME, MOC, MACRA, AAFP, and ACPE credit hours. Held during the Arizona Psychiatric Society 2019 Annual Meeting at the Hilton Scottsdale in Scottsdale, AZ, this activity will incorporate the updated FDA blueprint into practical education that helps improve quality of care and reduces pain in patients. This activity is intended for the members of the multidisciplinary healthcare team (PCPs, nurses, behavioral health providers, psychiatrists, and pharmacists), who need to obtain a balance between optimal pain reduction and minimization of adverse events (e.g. abuse, addiction, side effects, and risk of workplace accidents).

Date: Sunday, April 28, 2019

Location: Hilton Scottsdale
6333 N Scottsdale Road
Scottsdale, AZ 85250

Time: 9:00 AM – 12:15 PM
