## **Priority Bills**

### **HB2429: PHYSICIANS; WELLNESS PROGRAMS; CONFIDENTIALITY**

Any statewide association that is exempt from taxation under federal code 501(c)(6) and that primarily represents certain licensed health care professionals is authorized to establish a "physician wellness program" (defined). A record of a health professional's participation in a physician wellness program is confidential and not subject to discovery, subpoena or a reporting requirements unless the disclosure is required to meet a licensee's obligation to report a criminal charge or unprofessional conduct, or the health professional voluntarily provides for written release of the information.

### **HB2691: HEALTH CARE WORKFORCE; GRANT PROGRAMS**

Appropriates \$15 million from the general fund in each of FY2022-23 through FY2026-27 to the Department of Health Services (DHS) for the Arizona Nurse Education Investment Program, which is established to increase the capacity of nursing education programs in Arizona. DHS is required to allocate monies to the Arizona Board of Regents and community college districts based on the number of nursing students graduating in FY2021-22. ABOR and CCDs are required to use the monies to pay for costs necessary to increase the number of qualified nursing education faculty and for directly related capital expenses. Appropriates \$27 million from the general fund in each of FY2022-23 through FY2026-27 to DHS for the Nurse Clinical Rotation and Licensed Nurse Training Program, which is established to expand the capacity of preceptor training programs at health care institutions for nursing students and licensed nurses. DHS is required to develop a grant program to distribute the monies to licensed health care institutions to expand or create clinical training placements for nursing students and licensed nurses. Appropriates \$500,000 from the general fund in each of FY2022-23 through FY2026-27 to DHS for the Preceptor Grant Program, which is established to expand the capacity of preceptor training programs for graduate students pursuing degrees as physicians or advanced practice registered nurses. DHS is required to allocate the monies to the three largest statewide nonprofit organizations that represent allopathic physicians, osteopathic physicians, and advance practice registered nurses. Specified licensed medical professionals who serve as volunteer preceptors are authorized to apply for grants from the nonprofit organizations. Appropriates \$5 million from the general fund in each of FY2022-23

DATE: 04/14/22 APS FY 22 LEGISLATIVE SESSION PRIORITY BILL UPDATE (Review and Action)

through FY2024-25 to the Arizona Health Care Cost Containment System for deposit in the Demonstration Project Program Fund to expand the capacity of the Maricopa County Community College District and the Navajo County Community College District to train students as behavioral health workers.

## **SB1114: COURT-ORDERED TREATMENT; CASE RECORDS; CONFIDENTIALITY**

Unless otherwise provided by law, court rule or court order, the case records of and case information regarding a court proceeding brought under statutes governing court-ordered mental health evaluation and court-ordered mental health treatment are not open to public access or inspection. The court is permitted to authorize the release of these case records and case information for good cause shown. The Supreme Court is authorized to adopt rules to govern the access to the case records and case information.

## **SB1138: GENDER TRANSITION; PROHIBITIONS; PUBLIC MONIES**

Health care professionals are prohibited from providing "gender transition procedures" (defined) to any individual who is under 18 years of age, and from referring any individual who is under 18 years of age to any health care professional for gender transition procedures. Public monies, including through the Arizona Health Care Cost Containment System, are prohibited from being directly or indirectly used or paid to any entity or individual that provides gender transition procedures to an individual who is under 18 years of age. A person is allowed to assert an actual or threatened violation of these prohibitions as a claim or defense in a judicial or administrative proceeding and obtain compensatory damages, injunctive relief, declaratory relief or any other appropriate relief. A person is required to bring a claim for a violation no later than two years after the day the cause of action accrues. The Attorney General is authorized to bring an action to enforce compliance with this legislation. The Legislature, by joint resolution, may appoint one or more of its members who sponsored or cosponsored this act in the member's official capacity to intervene or defend the statute as a matter of right in any case in which the constitutionality or enforceability of this act or any portion of this act or any rule adopted pursuant to this act is challenged. Contains legislative findings. Effective April 1, 2023.

### **SB1392: STATE HOSPITAL; PLACEMENT; COURT-ORDERED TREATMENT**

During any period of court-ordered treatment, the medical director of the local mental health treatment agency assigned to supervise and administer the patient's treatment program is authorized to file a motion requesting the court to amend the treatment order to place the patient for treatment at the Arizona State Hospital (ASH). After a hearing, if the court finds that specified conditions apply, the court is authorized to amend the original treatment order authorizing the placement of the patient at the ASH.

### **SB1468: OCCUPATIONAL THERAPISTS; COMPACT**

Enacts and adopts an Occupational Therapy Licensure Compact to provide for the mutual recognition of other member state occupational therapists licenses. Establishes requirements for state participation in the compact and requirements for obtaining a new home state license using compact privilege. A home state has exclusive power to impose adverse action against a license issued by that state. Establishes a joint public agency known as the Occupational Therapy Compact Commission and establishes Commission powers and duties. Establishes provisions for rulemaking, dispute resolution, and enforcement. The Compact is effective on the date on which it is enacted into law in the 10th member state. Provides for construction and severability.

### **SB1716: STATE HOSPITAL; GOVERNING BOARD; GOVERNANCE**

Various changes relating to the Arizona State Hospital. Establishes a 5-member Arizona State Hospital Governing Board and transfers responsibility for administering the Arizona State Hospital to the Board, from the Department of Health Services (DHS). Session law provides for the Board to succeed to the authority, powers, duties, and responsibilities of DHS relating to the Arizona State Hospital. Effective January 1, 2023.

#### **HB2030: STATE HOSPITAL; PROCUREMENT; OVERTIME**

The Department of Health Services is exempt from the Procurement Code for contracts to provide medically necessary physical health care to individuals under the care of the Arizona State Hospital. A workday for state employees who are employed at the Arizona State Hospital may include a shift that spans two calendar days, and the workday is defined as the day the shift ends. The scheduled shift start and end times of these workdays cannot be adjusted to avoid the payment of overtime.

## **SB1210: MENTALLY ILL; TRANSPORTATION; EVALUATION; TREATMENT**

If the court, an admitting officer of an evaluation agency, or an evaluation agency is allowed to authorize or issue an order for the apprehension and transportation of a proposed patient by a peace officer, then the court, officer, or agency is allowed to authorize the apprehension and transportation by an "authorized transporter" (defined as an ambulance company or transportation provider authorized to provide safe behavioral health transportation). Establishes limits on civil liability for the apprehension or transportation, which do not apply to a person who acts with gross negligence. Establishes a 13-member Study Committee on Alternative Behavioral Health Transportation to research and make recommendations for the implementation of and the use of

## DATE: 04/14/22 APS FY 22 LEGISLATIVE SESSION PRIORITY BILL UPDATE (Review and Action)

alternative behavioral health transportation providers for individuals involved in mental health treatment or evaluation processes, as an alternative to transportation by peace officers. The Committee is required to submit a report of its findings and recommendations to the Governor and the Legislature by December 31, 2023, and self-repeals July 1, 2024.

## **SB1311: HEALTH CARE WORKERS; ASSAULT; PREVENTION.**

The list of victims of assault that cause an assault to be classified as aggravated assault if the defendant knows of their profession is expanded to include a "health care worker" (defined) while engaged in the health care worker's work duties. Aggravated assault committed on a health care worker is a class 6 (lowest) felony otherwise. By July 1, 2023, "health care employers" (defined as licensed health care institutions with more than 50 employees) are required to develop, implement and maintain a written workplace violence prevention plan that includes specified provisions. As soon as practicable after a workplace violence incident is reported to a health care employer, the employer is required to investigate the incident and to document the findings, recommendations and corrective measures taken for each investigation conducted.

### **SB1514: HEALTH CARE INSTITUTIONS; VISITATION**

A health care institution is required to provide notice of its visitation policy to a patient or the patient's representative. Visitation policies are required to allow for the patient to be constantly accompanied by at least two visitors of the patient's choosing, and the patient must be free to change the identity of these visitors as often as the patient wishes. If a serious possibility exists that the patient will lose consciousness or die within 24 hours, or if the patient has lost consciousness, visitation policies must allow all members of the patient's immediate family and a clergy member to visit the patient immediately on demand. Health care institutions are required to allow patients to communicate promptly and on demand with any person of their choice. The superior court is required to hear claims for violations of these requirements within 24 hours, including holidays and weekends. Establishes penalties for violations.

### **SB1567: VACCINATIONS; PROHIBITIONS; EVIDENCE OF IMMUNITY**

The state, its "governmental entities," and its "business affiliations" (both defined) are prohibited from requiring any person to receive a vaccination for COVID-19 or any variant of COVID-19 or to possess a COVID-19 immunity passport or other evidence certifying vaccination or immunity status, and are prohibited from discriminating against any person based on not receiving a vaccination for COVID-19 or any variant of COVID-19 or failing to possess a COVID-19 immunity passport or other evidence certifying vaccination or immunity status. The state and its governmental entities are prohibited from entering into a contract or giving a loan or grant of taxpayer monies to a business affiliation that requires a person to receive a vaccination for COVID-19 or any variant of COVID-19 or to possess a COVID-19 immunity passport or other evidence certifying vaccination or immunity status. A business affiliation that violates these requirements materially breaches its contract with the state or a governmental entity, rendering the contract voidable. Does not apply to health care institutions that are treating patients with COVID-19 or any variant of COVID-19 and that determine that a "direct threat" (defined) exists that cannot be eliminated or reduced by reasonable accommodation. Factors

## DATE: 04/14/22 APS FY 22 LEGISLATIVE SESSION PRIORITY BILL UPDATE (Review and Action)

that must be considered to determine a direct threat are listed. Requires the provisions of this legislation to be construed liberally. Severability clause. Also repeals statute prohibiting vaccine passports or vaccine requirements, which was deemed unconstitutional by the Arizona Supreme Court in Arizona School Boards Association et al v. State of Arizona.

## Sunrise Petitions

### **HB2197: MEDICAL EXAMINER; PATHOLOGIST ASSISTANT; AUTOPSIES**

The county medical examiner or alternate medical examiner is allowed to authorize "pathologist assistants" (defined) to assist with performing autopsies under the direct supervision of a licensed physician who is board certified in forensic pathology. A pathologist assistant cannot certify a cause of death or perform an autopsy independently.

### **SB1080: ACUPUNCTURE; SCOPE OF PRACTICE; ASSISTANTS**

For the purpose of statute governing the Acupuncture Board of Examiners, the definition of "acupuncture" is expanded to include prescribing adjunctive therapies, using decision-support tools, and ordering diagnostic imaging and clinical laboratory procedures to determine the nature of care and/or to form a basis for referral to other licensed health care professionals. "Acupuncture assistants" (defined) are authorized to assist a licensed acupuncturist pursuant to rules adopted by the Board, and working as an acupuncture assistant without supervision of a licensed acupuncturist is prohibited. By July 1, 2023, the Board is required to adopt rules for the purpose of this legislation. Until the Board adopts rules, a licensed acupuncturist may supervise an unlicensed person who has completed a training program for acupuncture assistants that includes specified training.

## SB1398: APPROPRIATION; WARNER STREET BRIDGE

By September 30, 2022, the Board of Athletic Training is required to adopt rules establishing the professional standards of care and training and education qualifications for athletic trainers to perform "dry needling" (defined) for therapeutic purposes. Failing to comply with Board standards for dry needling is added to the list of acts that constitute unprofessional conduct for athletic trainers.

### **SB1077: AHCCCS; CHIROPRACTIC CARE; REPORT**

Subject to approval by the federal Centers for Medicare and Medicaid Services, the list of medically necessary health and medical services that Arizona Health Care Cost Containment System (AHCCCS) contractors are required to provide is expanded to include chiropractic services that are performed by a licensed chiropractor and that are ordered by a primary care physician or primary care practitioner pursuant to rules adopted by the AHCCCS Administration. The primary care physician or practitioner is permitted to initially order up to 20 visits annually and to authorize additional medically necessary chiropractic services in that same year. Monies from the Hospital Assessment Fund are prohibited from being used to provide chiropractic services. The AHCCCS Administration is required to prescribe qualifying conditions for chiropractic services and require contractors to report on the use of chiropractic services. The AHCCCS Administration is required to submit a report of chiropractic care cost savings determinations to the Governor and the Legislature by January 21, 2027.

### SB1164: ABORTION; GESTATIONAL AGE; LIMIT

Except in a "medical emergency" (defined), a physician is prohibited from intentionally or knowingly performing, inducing or attempting to perform or induce an abortion if the probable gestational age of the unborn human being has been determined to be greater than 15 weeks. Violations are a class 6 (lowest) felony and an act of unprofessional conduct, and the physician's license must be suspended or revoked. A pregnant woman on whom an abortion is performed, induced, or attempted cannot be prosecuted for conspiracy to commit a violation. If a physician performs or induces an abortion after 15 weeks gestation, the physician is required to file a report with the Department of Health Services with specified information. Failing to file the report is subject to a civil penalty of \$10,000. Knowingly or intentionally delivering a report with a false statement is subject to a civil penalty of \$10,000. The Attorney General is authorized to bring an action to enforce these requirements. Contains a legislative intent section. The Legislature is authorized to appoint one or more of its members to intervene as a matter of right in any case in which the constitutionality or enforceability of this legislation is challenged. Severability clause.

**Position:** Neutral

**Sponsor:** Sen. Barto (R - SD-015)

**Status:** 03-30-2022, Governor Signed
