

Looking for an experienced Medical Director to join our team!

We are looking for a Medical Director (Board Certified Psychiatrist) to lead a team of highly qualified physicians and nurse practitioners in an outpatient, integrated care setting. The Medical Director is an active member of the Executive Management team at COPE and provides leadership and vision to our strategic goals. COPE's patient population is primarily AHCCCS members living with general mental health concerns, substance use concerns, and serious mental illnesses. The Medical Director oversees the clinical services of COPE Community Services, Inc. and monitors that all services delivered to our clinical populations meet medical necessity criteria, are provided in the least restrictive environment, are cost effective, and are of the highest possible quality.

This is a great opportunity for an experienced Psychiatrist who wants to be a part of an established agency that is dedicated to leadership and improving the lives of the people we serve.

Qualifications:

- MD or DO degree with the completion of an accredited psychiatric residency training program plus experience working in managed care settings; working with clients who have serious mental disorders, and other Substance-Related Disorders.
- Minimum of five (5) years of clinical work experience and two (2) years experience in a supervisory, leadership, or training role.
 - Licensed by the Arizona Board of Medical Examiners.
 - Must have current DEA Certificate.
 - ABPN Certified Physician

About COPE:

Our mission is to provide best practice-based, integrated physical and mental healthcare to improve the health and well-being of each person and community we serve. Our vision is to create opportunity for recovery by providing an integrated system of care that is client, family and community-focused, and culturally competent.
