Christianity 201: What's Faith Got to Do With It?
Sundays, October 4 to November 8 | 4:00 to 5:30 pm

Join Parish Associate *Rev. Dr. John Lentz* for a six-week conversation exploring some of Christianity's biggest questions: Who was Jesus, and what was his message? What is the Bible, and how should we read it? What is faith, really? And what do you have to believe to call yourself a Christian? Based on Dr. Lentz's new book, *What's Faith Got to Do With It? Learning to Love and Live the Questions*, the class offers a welcoming space to ask questions, explore what you believe, and consider how faith takes shape in everyday life. *Students welcome.*
Space is limited to 15. Email jlentz@covenantweb.org to sign up.
