

American Red Cross
Pacific Islands Region

Join us to help Guam and CNMI!

Our Community needs your help! Volunteers carry out 90% of the humanitarian work of the Red Cross. Become a volunteer today and you'll be able to assist your community in their recovery. See below for available high-need volunteer opportunities, and two ways to get started today.

We need your help in these areas:

Evacuation Shelter Volunteer Support- You'll work in a shelter alongside our trained responders to assist with things like, signing clients in/out, feeding, cleaning, and being friendly local face for your neighbors as they recover.

Disaster Assessment Team Driver- We need local drivers to assist our Disaster Assessment teams getting around the islands. These teams go out in groups to record damage to local homes. These assessments are required for locals to receive financial assistance, and local drivers help us get there faster.

Recovery Client Ambassadors – Are friendly, positive, and welcoming volunteers that will be there in-person to greet clients that were impacted by the storm as they come in to receive financial assistance.

Distribution of Emergency Supplies- Volunteer to hand out much needed recovery supplies to your neighbors. Must be able to stand for long-periods and repeatedly lift up to 20lbs.
