SBA Announces Opening of Paycheck Protection Program Direct Forgiveness Portal

*New portal will streamline applications for loans \$150K or less for Guam and
CNMI businesses*

WASHINGTON – The [U.S. Small Business Administration](http://www.sba.gov) is launching a streamlined application portal to allow borrowers with Paycheck Protection Program ([PPP](#)) loans under \$150,000 through participating lenders to apply for forgiveness directly through the SBA.

“With the new simplified application portal, thousands of Guam and CNMI businesses, and even sole proprietorships that borrowed PPP funds will have these funds forgiven” said SBA Branch Manager Ken Lujan. Most Guam and CNMI businesses waiting for forgiveness have loans under \$150,000. “It was time we made the process more efficient so businesses can get back to sustaining our communities”.

This new change will help rush relief to over 6.5 million smallest of small Guam and CNMI businesses which has been the Administrator’s priority since day one. The new forgiveness platform will begin accepting applications from borrowers on August 4th, 2021. Lenders are required to opt-in to this program through <https://directforgiveness.sba.gov>. In addition to the technology platform, the SBA is standing up a PPP customer service team to answer questions and directly assist borrowers with their forgiveness applications. Borrowers that need assistance or have questions should call (877) 552-2692, Monday – Friday, 8 a.m. - 8 p.m. EST.

“This initiative will allow PPP borrowers to put their concerns of achieving full forgiveness behind them and focus on operating and growing their businesses again,” **said Patrick Kelley, Associate Administrator for SBA’s Office of Capital Access.** “We are pleased to be able to assist financial institutions across the U.S. in processing forgiveness applications for small business owners.”
