

The Guam Chamber of Commerce
presents its
102nd Anniversary Gala Celebration

America 250

As the Guam Chamber of Commerce marks its anniversary and honors its members, this year's celebration looks ahead to America's 250th anniversary of the Declaration of Independence. Entrepreneurs, small businesses, partnerships, and corporations—through private enterprise—have driven innovation and opportunity. This year, we recognize those same forces and their milestone anniversaries shaping Guam's future.
