Hafa Adai!

Guam Girl Scouts has had an incredibly successful cookie season this year! To date our girls have sold nearly 55,000 packages of cookies! Did you know that the cookie program is the primary fundraiser for Girl Scouts and is the largest girl entrepreneurial program in the world? Here in Guam, proceeds from all cookie sales stay local and benefit both the council and each troop! Our girls will use their funds to purchase patches and vests, have local experiences to help earn badges, and even take them off island to experience the wider world! Over this Spring Break, we have girls from three different troops using their cookie funds to travel to Japan, Korea, and Taiwan!

As our cookie season winds down, we could use the community's help to finish strong! We are looking for community partners to purchase cases of cookies to help us "*Clear the Cupboards*"! Would you/your company consider purchasing cases of cookies to give as gifts to employees, clients, customers, etc. We are happy to deliver cookies to your location! Or perhaps you would prefer to purchase cases of cookies to be donated to local nonprofits and military organizations. We will deliver all donations throughout the months of April and May. To participate, please complete the attached form and return to Mikaela at guamgirlscout@gmail.com by April 30, 2024. Or give us a call at 671-646-5652.

We are so grateful for the enthusiastic support of our community in helping us have such a successful cookie season this year! Throughout the wider cookie sales community, Guam is known as "small but mighty!" due to the amount of cookie sales our girls are able to make! Thank you for your consideration and support of Guam Girl Scouts! Your generosity is empowering our island's girls to become girls of courage, confidence, and character who make the world a better place!
