

GUAM CHAMBER OF COMMERCE
PARTNERS IN PROGRESS

Hafa Adai!

We hope that this message finds you and members of your company and family well. It has certainly been a trying year as we navigate our personal and workplace conditions associated with the pandemic. Guam's economic climate has been and continues to be extremely challenging at best.

The holidays are just around the corner and families especially hard hit by the effects of the COVID-19 situation are in a very different place than they were this time last year. In fact, it was many of these families that contributed to the Toys for Tots program over the years. This year, they will probably need support. As a past partner in the Toys for Tots program we reach out to you to gauge your interest in supporting this year's program. If you feel comfortable about collecting toys from within your company in support of Toys for Tots this year, please let us know. We are not encouraging you to open your business to collection as you have done in the past. If you would rather provide a financial gift via the Guam Chamber and have the Chamber purchase toys for direct giving to Marine Activity Guam, we are happy to do this for you.

Thank you for your consideration. We know that this is a big ask and we appreciate your thoughtfulness and will respect your decision. Please let us know your decision by checking either of the boxes below that fits your response.

We send our sincerest thoughts and best wishes to you for this upcoming holiday season.

Si Yu'os Ma'ase,

Catherine Castro
