Håfa Adai from Joint Region Marianas,

Morale, Welfare and Recreation (MWR) team at Joint Region Marianas in partnership with Andersen Air Force Base and Naval Base Guam MWR programs are expanding partnership opportunities within the local business community. The presentation will offer information on opportunities the Guam military market has available to them.

We've put together a presentation to help share who we are, what we're about, and the various opportunities available to partner with MWR.

We would like to invite you to attend/participate in the pre-scheduled presentations for the remainder of the calendar year.

Currently we have presentations scheduled for the following:
