PRESS RELEASE PR25-117

August 27, 2025

**Public Service Announcement:
 Certificate of Manager's Certification Requirement for All Retail Food Facilities**

Hagåtña, Guam – The Division of Environmental Health (DEH) of the Department of Public Health and Social Services once again reminds operators of a food establishment, and those seeking to operate one, that pursuant to the Rules and Regulations Governing the Issuance of Health Certificates, which was adopted in May 2015, of the following:

- All retail food facilities, regardless of the number of employees, including Temporary Food Service Establishments, **must have a manager/supervisor on duty during hours of operation who possesses a Certificate of Manager's Certification.**

Registration receipt of enrollment in the Certificate Manager's Course is not acceptable; the actual certificate must be presented when requested by DEH. Failure to comply with this requirement will result in the suspension of the establishment's Sanitary Permit as authorized by regulations.

The Certificate of Manager's Certification course is locally provided by the Guam Community College (GCC) and is valid for five years. The Department also recognizes the following third-party food safety credentials:
