About RISE

Teen Expo 2025

Overview

RISE is a teen-led expo created by teens, for teens—built to inspire, connect, and prepare the next generation of leaders. Organized through a powerful collaboration between **Junior Achievement Guam** and **Simon Sanchez High School DECA**, RISE brings together students from across the island for a dynamic day of exploration in career paths, entrepreneurship, personal growth, and real-world skills.

This one-day event happening on **November 15, 2025** goes beyond a typical expo—it's a movement of empowerment, creativity, and opportunity, featuring interactive booths, workshops, guest speakers, networking spaces, and student-led showcases.

By supporting RISE, businesses, nonprofits, and community leaders directly invest in Guam's future—and the young minds determined to shape it.

Objectives

Foster Meaningful Connections

Create networking opportunities between teens, mentors, businesses, and community leaders

Inspire Future Leaders

Spark motivation and ambition in teens through engaging speakers, role models, and success stories.

Empower Student Voice

Develop teen creativity and leadership through interactive booths, workshops, and performances.

Strengthen Community Impact

Unite schools, organizations, and industries in investing directly in Guam's next generation

Build Real-World Skills

Equip students with practical tools in career readiness, entrepreneurship, and personal development.
