**RE: Bill No. 24-36 (COR) – Relative to redating the implementation of the second tier of PL 35-38 from March 1, 2021 to March 1, 2022**

Dear Chairwoman Perez and Committee Members:

Please accept this letter as written testimony of our support of Bill No. 24-36 which seeks to place a one-year moratorium on the implementation of the second tier increase of the minimum wage. The delay of this implementation will greatly support our company as we work towards recovery from this economic crisis due to the pandemic.

Since we are unable to be present at the virtual public hearing scheduled for January 25, 2021, we respectfully submit this statement on behalf of our company for the record.

Thank you very much for your support of our business and the recovery of our island economy.

Very truly yours,
