## Other Options

- Nursing Supervisors and Pharmacists will be available to administer flu vaccines for evening and off-shift employees.
- Vaccination supplies will be provided to BMH Practices for practice staff.
- Submit documentation for flu shots received outside of BMH to Employee Health.
- Individuals seeking a medical exemption must complete the Refusal of Influenza Immunization form and submit to Employee Health with all supporting documentation.

**Staff are required to get the flu vaccine by October 31st**
