

PebbleCreek Republican Club

Our Club Welcomes KARI LAKE Candidate for U.S. Senate

Kari is an America First Candidate and well-known voice for Arizona, from her 27-year career in the news industry to her 2022 run for Governor. She wants to be Arizona's voice in the Senate, fighting back against the relentless assault on our freedoms by the radical left. She believes that Arizona can and should be the standard bearer for America First policies nationwide. Her platform includes securing our borders, regaining energy independence, restoring education not indoctrination, and preserving the western heritage that makes Arizona special.
