

Please join Mayor William Capote and other corporate and community leaders on Saturday, September 24th, 2016, in support of the 12th Annual Mayor's Ball benefiting the Certified Production Technician Program and honoring EDC President and CEO, Lynda Weatherman.

By [purchasing tickets](#) or becoming an [event sponsor](#), you will be supporting the CPT Program, an exciting partnership with the Economic Development Commission of Florida's Space Coast and the Pastor's Community Alliance. This initiative ensures that we are meeting the needs of some of our biggest employers while building a skilled manufacturing workforce and ensuring that our citizens are provided the opportunity for training and placement into a career field that is the fabric of our nation.

Please join us in supporting the CPT Program by becoming a sponsor of the 2016 Mayor's Ball. This event will help to provide important funding for education and job training that will benefit not just the individual student but our entire community.

*To ensure your company is included in the event program and other materials, please let us know if you would like to be a sponsor by Friday, September 9th, 2016.*

*Visit [www.palmbaymayorsball.org](http://www.palmbaymayorsball.org) or call (321)409-7187.*
