

HealthFirst

As a wellness-driven company, we're passionate about improving the health of our Brevard County community. That's why we're thrilled to announce the opening of our 2024-2025 Wellness Grant application cycle!

Last year, we proudly awarded over \$400,000 in Wellness Grants, supporting the initiatives of 15 incredible local nonprofits. Now, it's your organization's chance to join us in making a positive impact on our community.

We're focused on supporting projects that

- Increase access to quality healthcare.
- Promote physical activity and healthy eating for children.
- Expand overall community wellness.

We invite local organizations to submit proposals targeting one or more of these health disparities or social determinants of health. **This year, we are particularly interested in programs addressing food insecurity.**

If your organization shares our commitment to these objectives, we encourage you to apply! Take a moment to review our [**Wellness Grant Summary**](#) to determine your eligibility.

Ready to take the next step?

- Carefully review the eligibility criteria listed in the Wellness Grant Summary
- Download our [**"How to Apply for a Wellness Grant" guide.**](#)
- Submit your application at [**hf.org/givesback**](http://hf.org/givesback)

Questions? Please contact Melissa DiMaria, Director of Community Engagement, at melissa.dimaria@hf.org.

We look forward to exploring how we can work together to improve the wellness and health of our community.
