

BLOOD DRIVE

IN HONOR OF AJ

Anderson Jet Joseph Demarest, or AJ The Tank, is an adventurous 4-year-old boy with Multiminicore Congenital Myopathy, a rare condition that affects the muscles, as well as IPEX, an immunodeficiency syndrome. AJ is undergoing testing to determine the best treatment plans, but he has been in and out of the hospital since he was only 6 days old. Blood donations may soon be needed as part of AJ's treatment and a fundraiser will also be held to help with funds for a potential bone marrow transplant.

We want to express our appreciation to everyone who is helping AJ The Tank, and children like him, by donating blood.

To learn more about AJ, follow him on his Facebook page AJ's Platoon.

Saturday, November 11

10:30 AM - 3:30 PM

Andretti Theme Park

3960 S. Babcock Street, Melbourne, FL 32901
