

WELSH CONSTRUCTION ANNOUNCES PROMOTION OF CHRIS NORTON TO VP

Welsh Construction recently announced that Chris Norton was promoted to Vice President of Development. Chris started with the company in December of 2015 as Business Development Director and since that time, Welsh, a general commercial contractor, has tripled their staff. The commercial construction section in Brevard County and East Central Florida is booming and the company is putting the finishing touches on their new 10,000 s.f. office complex at 3907 W. Eau Gallie Boulevard, Melbourne.

Welsh Construction was formed by Ken Welsh in 2003 and provides commercial construction/renovation and design/build services in the following sectors: education- public, private and religious based, office, self-storage, retail, multi-family, churches and industrial. For further information about these projects, contact 321-757-7383 and www.Welshci.com
