Dear Community Member,

Royal Palm Charter School is excited to announce the completion of our new K-3 building! As we prepare to welcome our youngest students to this upgraded space, we are seeking support from local businesses to help furnish the classrooms with new desks and chairs. Due to unexpected delays in the building process and additional unanticipated expenses, beyond the contingency budget, we find ourselves in need of assistance to fully outfit these classrooms.

Since 2000, Royal Palm has been a cornerstone of the Southern Brevard community, proudly serving 365 students from VPK through 8th grade. Our mission is to provide a personalized, high-quality education in a small community environment. The new building will significantly enhance our educational offerings, including improved space and upgraded technology, to better serve our students in grades K-3.

To bring this vision to life, we are seeking donations to purchase essential classroom furniture. Each classroom will require 18 collaborative desks and 18 chairs, thereby creating a flexible and student-centered learning environment. The total cost of the furniture for the new K-3 building is \$61,518.64, with the furnishings for each classroom costing \$7,689.83.

As a token of our appreciation, donors will be recognized in the following ways:
