

# Building Business Resilience: Navigating Hurricane Recovery & Preparing for the Future in Florida

*Thursday, April 24. 10-11 AM ET*

*Join on MS Teams*

You're invited to SBA's business focused TEAMS webinar. This informative session will share key updates and insights to help Florida businesses navigate challenges from the past hurricane season, support long-term recovery and preparedness.

During the webinar, you will learn about SBA's disaster assistance, and steady state programs along with resources from the IRS and other organizations to help you stay resilient through tough-times and blue skies.
