LIVE Webinar | Getting It Right - Know Your Fiduciary Responsibilities:

Webcast Series for Retirement and Health Plan Sponsors

Operating an employee benefit plan can be challenging, especially for small and medium sized employers who have limited time, resources, and access to professional help with benefit programs. To help increase awareness and understanding about basic fiduciary responsibilities when operating a retirement or health benefit plan, the Department of

Labor is presenting the Getting It Right – Know Your Fiduciary Responsibilities webcast series.

The webcast series will help employers and service providers understand how the fiduciary responsibility provisions of the Employee Retirement Income Security Act (ERISA) apply to employer-sponsored retirement and health plans, and provide information on how to avoid common problems in managing a plan.
