

The EDC is pleased to announce there are openings for the next **Certified Production Technician (CPT)** class commencing on April 17<sup>th</sup>.

Grant funds are available to cover up to 100% of the cost of tuition. This ten-week online class, proctored through EFSC, is a nationally recognized and accredited program to enable graduates to enter the lucrative manufacturing sector. It is estimated that 3000 jobs will be available each year just in Brevard alone.
