

# Smart Start Art

Winter 2021

## Online Sessions

Explore and discover creativity and imagination as an artist as we explore different artistic techniques through a variety of inspiring projects using everyday materials you have around the house! Learn about great artists from throughout history and the present day, through a weekly featured artist and fun, exciting games with a live instructor during each 45 minute session. This class also includes video lessons to guide students through the creation of additional projects outside of class time!
