“The Let Them Theory” by Mel Robbins

Attendees are required to purchase their own book and read the book prior to the dialogue.

The Let Them Theory offers a practical and empowering framework for navigating relationships and leadership by focusing on what we can and cannot control. At its core, the book encourages readers to release the urge to manage others’ behaviors, opinions, or decisions (“let them”) and instead take ownership of their own responses, boundaries, and well-being (“let me”). This simple yet profound mindset shift fosters emotional intelligence, reduces stress, and promotes clarity in decision-making, making it especially relevant for leaders seeking to build trust, strengthen communication, and lead with confidence and authenticity.

REGISTRATION FEE: **\$50.00** • Registration forms can be submitted to [Shannon Montgomery](#) • Payments can be made online via [PayPal link](#) or via check or money order payable to NTMCA, mailing address available on request.
