

Exit 16 DDI

Diverging Diamond Interchange

Exit 16 DDI Public Meeting
Tuesday, September 24, 2019
Two sessions: 1:00 PM and 6:30 PM (at Selectboard Meeting)
Colchester Town Offices
Outer Bay Conference Room
781 Blakely Road, Colchester, VT 05446

The Exit 16 Diverging Diamond Interchange (DDI) is located along the US Route 2/7 corridor, in the vicinity of I-89 Exit 16 in Colchester, Vermont. The project area extends from the Colchester-Winooski town line north for approximately one mile to just beyond the intersection of Sunderland Woods Road at US Route 2/7. The core of the project is to reconfigure the existing tight diamond interchange to a Diverging Diamond Interchange (DDI) at I-89 Exit 16.

Construction is anticipated to begin in Spring 2020 and is scheduled to be completed over the course of two full construction seasons.

The presentation will include:

- Project scope
- Exit 16 reconfiguration design
- Bicycle and pedestrian flow
- Anticipated construction schedule
- Project status
- Test drive a DDI with our driving simulator!

We look forward to hearing from you at the upcoming meeting!

The project team will be available to answer questions and address comments.
