Who Should Attend

School and district administrators and other educators responsible for student safety, including Superintendents, Assistant/Deputy Superintendents, Chief Operations Officers, Chief Technology Officers, Safety and Security Directors, School Police Chiefs and Principals.

Why Attend

Engage in strategic and tactical discussions about keeping our students safe, hear from leading educators as well as representatives from law enforcement and legal counsel, and enjoy plenty of networking opportunities.

Keynote: Lessons Learned from Sandy Hook

Dr. Joe Erardi, Former Superintendent, Newtown, CT

Additional presentations by representatives from area school districts and the Internet Crimes Against Children Task Force.
