

# BUILD THE FUTURE OF CHICAGO - THIS SUMMER!

Looking for a paid summer job that's more than just a paycheck?

## Join the "Building Futures" Summer Design & Construction STEM Lab Program

The Chicago Transit Authority is extending the Red Line from 95th to 130th Street, adding four new stations – and you can be part of it!

- 8 week summer program
- 10-15 high school students selected
- Paid internship
- Hands-on experience in architecture, engineering, project management, and construction

## What You'll Gain:

- Exposure to STEM & transportation careers
- Development of adaptable skillsets
- Learn to work with high-performing teams
- Meet public & private leaders driving the Red Line Extension

## Capstone Projects May Include:

- Mini RFP submission
- Bridge building
- Drone training
- Model building
- Community needs assessment

Space is limited –  
Don't miss out!  
Apply now and help shape  
the future of Chicago!
