This OAI program is partially funded by the Illinois Department of Commerce and Economic Opportunity (DCEO) through the Climate and Equitable Jobs Act (CEJA), with funds awarded to The Chicago–Cook Partnership.

Build in-demand skills through hands-on training that includes:

- Industry-recognized certifications
- Personalized career planning and job placement support
- Professional Skill Workshops: Digital literacy, financial planning, workplace communication, and more
- Hands on clean energy training in areas such as SOLAR, Electric Vehicles, or Manufacturing
