

NEW Computer Sciences Declaration Requirements

MAJOR

- 1) Completion of COMP SCI 300 and (MATH 222 or 276)
- 2) Grade of BC or higher in an introductory programming course (COMP SCI 300, 354, or 400) taken at UW-Madison
- 3) 2.250 GPA or higher in the first attempt of the following courses:
COMP SCI 300 and (MATH 222 or 276)
 - If students need additional coursework to meet the 2.250 GPA requirement, COMP SCI 240, 354, or 400 may also be used
 - Note that the GPA is calculated with UW-Madison courses only, and does not include repeated coursework.

CERTIFICATE

- 1) Completion of COMP SCI 300
- 2) Grade of BC or higher in an introductory programming course (COMP SCI 300, 354, or 400) taken at UW-Madison

New requirements take effect August 26, 2019. Students who submit their online declaration form by 11:59 PM on August 25, 2019 will be declared under the current requirements.
