FREE Insurance Policy Review

Sandman Savrann PLLC is pleased to announce that it has teamed up with the top insurance class action law firms across the United States to assist hospitality-related businesses, including hotels, restaurants, and vendors with their business interruption insurance claims resulting from the COVID-19 pandemic, **even where the policy contains a virus exclusion.**

These law firms have agreed to review your insurance policies **at no cost and without obligation** and, if they take your case, will do so at **no cost to you** unless you collect money.

If you wish to take advantage of this service, please send a copy of your property or business interruption insurance policy to Daniel F. Benavides, Esq. at dbenavides@sandsav.com.
